MRP Outdated Drawing Removal**

Comment:

An expansion was made to Wellington Preparation Plant's Dryer Sediment Pond in 1995-96. An as-built drawing of this pond (Dwg. 712e) was provided to the Division on March 29, 1996. Accordingly, this drawing superceded the previous drawing of this pond (A9-1464) and its cross-section (shown on E9-3453).

Instructions:

- 1) Please **remove** drawing A9-1464 from the current MRP.
 - 2) Please **strikeout** cross-section of the Dryer Pond on drawing E9-3453 (do not remove this drawing from the MRP; it contains other important and current information about the Road Pond.
